**Reviewed By Renee Washburn**

**Official Apex Reviews Rating: ★★★★★**

Throughout the pages of **Welcome To River Street**, author Amy Levy takes the reader deep into the dark psyche of a twisted soul with a haunted past – whose very existence is proof positive that looks are often deceiving...

Relocating from Maine to Portland, Michelle Bradley is eager to get her life off to a fresh new start; however, even with a beautiful new home, a great new job, and a wonderful new boyfriend, she soon realizes that we can never escape our past – no matter how hard we try to outrun it...meanwhile, as Michelle strives to adjust to life on River Street, her two new neighbors – who live in the same renovated Victorian house – both come with their own individual auras of mystery, which ultimately piques the reader's interest regarding the true nature of the peculiar neighborhood...

**Welcome To River Street** is nothing if not suspenseful. Intriguingly crafted as a novella and two short stories, Levy's mind-bending tale of curious mystery is guaranteed to stretch the imagination and confound any sense of logic and reason. Decidedly unconventional, Levy's circuitous storytelling style is well suited to deliver such a disturbingly compelling account of fantastical strangeness, and she does a masterful job of suspending disbelief long enough to deliver one twisted, unexpected surprise after another. A highly engrossing read.
